

GODDARD MIDDLE SCHOOL . . .

The degree to which a school influences the lives of people depends on the people themselves, because the quality of the school reflects the quality of the people . . .

The middle school years can be an exciting and meaningful time for those who take advantage of their opportunities. It is a time to form lasting friendships, establish high ideals, and to grow physically and mentally.

It is a time, not only to enjoy activities with other young people, but also to develop self-control and judgment. This will nourish the achievement of purposeful goals in adult life.

We have a motto at Goddard entitled "Excellence in Action". As you spend three years of your education here, we encourage you to adopt this motto for your life and strive for excellence.

WELCOME TO GODDARD!

Goddard Middle School is your school and we want you to enjoy it, benefit from it, and have pride in it. Our school exists because the people of Glendora and the entire State of California believe in having the finest educational facility possible, and they are willing to work together to do this. Your part in this partnership is to do your best in school, take care of your school, and demonstrate respect for our rules.

HISTORY

"It is difficult to say what is impossible, for the dream of yesterday is the hope of today and the reality of tomorrow."

This quote from Robert H. Goddard (1882 - 1945), considered the father of modern rocketry, captures his attitude toward life. It is one from which we can all learn. He was laughed at for his dreams of rocket flight and space travel, yet before his death, he was able to see that his work had brought man to the threshold of space. His interest in rockets began at the age of seventeen and continued for the rest of his life. He conducted experiments and research, which led directly to the development of intercontinental missiles, satellites and the exploration of space. He was the first to develop liquid fuel and multi-stage rockets.

Despite all of his accomplishments, Dr. Goddard was never given the recognition he deserved during his lifetime because so many people thought his ideas impossible and impractical. Today, some people think we would be far more advanced in our explorations of space if his countrymen had listened to him. Nevertheless, his dreams of yesterday have become today's realities. Your dreams of today can become tomorrow's realities if you follow Dr. Goddard's example. This is a worthwhile goal for us all. We trust that you will put forth your best possible effort this year.

SCHOOL EXPECTATIONS

All Titans are expected to uphold our Titan virtues to SOAR: Strive to make an impact, Own your actions, Always be respectful, and Rise to the challenge. A student develops a positive self-image by making appropriate choices. Accepting responsibility for choices is an integral part of the learning process. Home and school should work together to impress upon students the principles of morality, truth, justice, patriotism, and a true comprehension of the rights, duties, and dignity of American citizenship. Guidelines at Goddard are simple, fair, and specific with clearly defined rewards and consequences.

COMMUNICATION

Goddard utilizes many forms of communication to parents. A weekly electronic email (The Rocketeer) is sent and contains the bulletin announcements. The calendar, handbook and important events, including sports schedules, are available at www.goddardtitans.net. Announcements are made daily during 1st period, and watch our marquee for events. You can also follow us on Facebook, Twitter, or Instagram as well as download our Smartphone app.

VISITOR'S PASS/OBSERVING CLASSES IN ADVANCE

Parents or guardians of our students are encouraged to visit our school and observe our educational program. Visitors must stop by the main office, sign-in, and obtain a visitor's pass. Identification and an approved volunteer form are required. Please arrange classroom observations with a teacher prior to visiting. We DO NOT have the facilities to accommodate students from other schools to visit us during the school day or during various activities. Any person on campus without permission is subject to arrest (Penal Code 653G & 636.8)

APPOINTMENT REQUESTS

Students who want to make an appointment to see the Principal, Assistant Principal, or Counselor may fill out a reverse call slip in the office.

ATTENDANCE

ATTENDANCE

ATTENDANCE = ACHIEVEMENT

With greater emphasis on academic standards, school attendance is crucial. Research shows students who are absent miss out on valuable learning opportunities and don't achieve their full potential. In addition, budget cuts have hurt our district. **We only receive funding if students are actually in class.** For every day a child is absent, we lose approximately \$40 per day, regardless of reason (such as illness), even with a note excusing the absence. Last year alone our school district lost over \$1 million because of student absences.

Under no circumstances should students come to school if they are sick, but unnecessary absences affect their educational progress as well as hurt our district. Pupils are required by law to attend school regularly and on time. Attendance investigations will be initiated for excessive and habitual absences. PLEASE ENCOURAGE STUDENTS TO ATTEND SCHOOL EVERY DAY!

TRAVELING TO AND FROM SCHOOL

Students are to go directly to/from school without loitering. Once a student is on campus, he/she is not to leave without checking out at the office. Unless involved directly in a school activity, a student should not be on campus any earlier than 8:00 a.m. and no later than 2:55 p.m.

Appropriate conduct and safety after school while waiting for parents or at the bus stop is expected as a common courtesy and consideration for others. Students are held accountable for their behavior and actions as they travel to and from school.

DURING AN ABSENCE

1. Parents should call in when a child is absent and will not be at school and give the reason, **before 10:00 a.m. on the day of absence**. A parent must call in each day that their child is absent. You may also leave a message on our 24-hour voice mail after school hours (626/852-4500). If you are unable to call, please be sure to send a note with your child to bring to the office before school.
2. In cases of extended absences for **three** consecutive days or more, homework assignments may be requested through the office. Please allow one day for this material to be compiled. Calling early will ensure homework is ready.
3. If a student is scheduled to be out of school for five consecutive days or more, please contact the office as soon as possible as Independent Study can be arranged.

RETURNING TO SCHOOL AFTER AN ABSENCE

If the parent has not already called in, pupils are required to bring a note from parents the day of return to school after an absence. The note must list the date of absence, specific reason for absence, and be signed by parent or guardian prior to first period.

LEAVING SCHOOL

A student planning to leave school during school hours needs to get an "Off-Campus" form at the office **before school**. The note from the parent or guardian must give the student permission before he/she can be authorized to leave campus. Parents or guardians need to come to the office and check out any student leaving early. **You may not leave campus without checking out in the office.**

Off-Campus Procedures:

Bring a note to attendance office before school.

1. Come to office at time of off-campus.
2. A parent must sign you out.
3. Check in with the attendance office (if during school hours). If you do not return the same day, checking in at the attendance office is not necessary.

Students will not be released to anyone other than those indicated on the Emergency Card. This is for the protection of our students. Students may only be picked up by an adult over the age of 18 during school hours.

TRANSFERS

Before a pupil transfers to another school, he/she must bring a note from his/her parents or guardian stating his/her new address and requesting a transfer. He/she should plan to bring this notification in time so that he/she can spend one school day checking out. All books need to be returned before a child can completely withdraw from school.

HEALTH AND EMERGENCY INFORMATION

HEALTH OFFICE

After receiving a hall pass from their teacher, students may go to the Health Office to see for:

1. First aid in emergencies or any personal health problems
2. Permission to go home because of illness

MEDICATION

School personnel may assist students who must take prescribed medication during the regular school day. **The school must receive the district form entitled "Authorization to Administer Medication during School Hours" signed by both a physician and parent detailing the amount and time schedules by which such medication is to be taken. Medication must be in the original prescription bottle. A parent must bring in medication in the original bottle to the Health Office. Parent and Health Clerk will then verify medication.** Parents may also complete the district authorization waiver which allows a responsible student to self-administer medication. **Students may not carry medication of any type without the waiver form.**

TELEPHONE/CELL PHONE USE

Students are permitted to have a cell phone or smart watch in their possession on campus during the school day while attending school-sponsored activities or while under the supervision and control of a school district employee. Such devices shall be **in a backpack, deactivated (turned off-vibrate/silence is not considered off)** and their use strictly prohibited on campus. Any device that is on, activated, in use, or openly displayed, will be confiscated and held in the office. Parents are urged not to **telephone** or send **text messages** to students and students are not to use the phone during the school day for any reason. Cell phones are not to be used for video/photo purposes on school grounds at any time.

1st offense: Confiscation, parent notification by referral, may be picked up by parent same day or by student after 24 hours.

2nd offense: Confiscation, student must serve one hour detention, parent notification by referral.

3rd offense: Confiscation, student must serve two hours detention, parent notification by referral.

Goddard Middle School is not liable for lost, damaged or stolen cell phones. Students will be held responsible for their own cell phones. Repeated violations may result in Saturday School or suspension.

EMERGENCY CARD

Every student must have an emergency card filled out on line. If your address or telephone number has changed, please see that the proper corrections are made online as quickly as possible to prevent loss of time in case of emergency. If a parent or guardian should be out of town, the school must be informed of the temporary guardian. Only those listed on the Emergency Card may pick up a student from school. Students may only be picked up by an adult over the age of 18 during school hours

ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported immediately to the person in charge and to the school office.

DRILLS (FIRE OR EMERGENCY SITUATIONS)

Drills at regular intervals are required by law and are an important safety precaution. It is essential that when the first signal is given, everyone obeys orders promptly. The teacher in each classroom will give instructions to the students.

FIRE/EARTHQUAKE/ MAJOR DISASTER

Stay calm and follow your teacher's instructions. **DO NOT RUSH** outside. When the emergency is over, the teacher will decide when it is safe to evacuate to the second level. Follow instructions. If **OUTSIDE**, stay in the open. Move away from buildings, trees and wires. **DO NOT RUN**. Correct emergency building exiting procedures are listed near each exit door. Remember, **STAY CALM, FOLLOW DIRECTIONS**.

Should the fire drill, earthquake, or emergency occur before school, between periods, at lunch, or after school, proceed directly to the designated teacher's basketball blacktop area:

Before School: Go to 1st period teacher's area
Passing Period: Go to next period teacher's area
Lunch: Go to 4th period teacher's area
After School: If not already on the way home, proceed to blacktop area for further instructions.

If you are out of class for some reason when such an emergency takes place, report to the teacher whose class you are in at the time. During a drill, there should be no talking, running or pushing. The last person out should close the door. Students will only be released to those listed on their disaster card.

GRADES AND CITIZENSHIP

ARE YOU PREPARED?

Your preparation for this school year increases your chances to demonstrate Excellence in Action. The following is a checklist of supplies that you may need in your classes.

Check with your individual teachers to see what they require. Each day before school check to make sure that you have the items necessary to complete your work successfully. This will contribute to the citizenship and scholarship grade that you desire. *Failure to be prepared for class work on a continual basis will result in disciplinary action.*

Suggested Supplies

1" Notebook	Colored Pencils
Gym Clothes	Straight Edge Ruler
Pencils/Ball Point Pens	Notebook Paper
Pencil Sharpener	Compass/Protractor
Reading Book	
Classroom Folder/Subj. Dividers	
Assignment Notebook/Student Agenda (required of all Goddard students). Replacements can be purchased in the office for \$6.00.	

TIPS TO SUCCESS

By getting organized, you can have a great three years at Goddard.

- 1) Keep all school materials together in one special place - that way nothing gets lost.
- 2) Keep a neat notebook. Organize each subject with a separate divider. Place all homework in one area.
- 3) Carry your assignment notebook with you to every class and keep track of upcoming tests and reports. Don't forget to record daily assignments.
- 4) Prepare a special quiet place at home for homework. Be sure you have plenty of fresh supplies available.
- 5) Select a certain time daily for homework; for example, 4:00 p.m. to 6:00 p.m. every afternoon. Use this time to read or study if you finish your next day's assignments. Remember that consistency will improve your productivity.

HOMEWORK

Homework may be assigned in any of your classes. Learn to budget your time. Make sure that you write down your assignments in your agenda carefully! The school website, www.goddardtitans.net, and the Grade Portal are forms of communication that allow both students and parents to stay current with what's going on at Goddard.

AERIES GRADE PORTAL

Aeries Grade Portal online or the smartphone app allows student and parents to access student's grades and assignments. If you need help activating your Aeries Portal account, please contact the Goddard office.

PROGRESS REPORTS

Progress reports are sent home during the fifth week of each grading period. The purpose of this notice is to inform parents of negative student performance. If parents require further information, please phone the teacher or counselor for assistance.

REPORT CARDS

You will receive one report card every quarter. If you do not receive a report card after each quarter, contact the office.

PROMOTION ACTIVITY POLICY

At the conclusion of the 8th grade year, promotion activities will be held. However, 8th grade students **MAY NOT** participate in promotion activities if they have had a suspendable offense in the last 10 days or their poor academic performance results in:

 2. Three (3) or more "F" grades on their second semester grade check before promotion.
 3. Any "U" and (2) or more "N" in citizenship.
- A final decision regarding participation in the promotion activities will be made one week prior to the promotion activity date. The 8th Grade Promotion Dance Party is a middle school promotion and not a formal affair. We are very proud to be a Sister School with Moka Higashi Junior High School. We know that both schools have benefited from this international relationship. As with any invited guest on campus, we trust that when representatives from Moka visit Goddard, all of our students will treat them with respect and warmth.

"EXCELLENCE IN ACTION" POST CARDS

Teachers will periodically send out post cards to parents of students who have made some type of achievement or

improvement.

EXCELLENCE REFERRALS

Students showing excellence in achievement or improvement will periodically receive excellence referrals from teachers. These positive forms of recognition are presented to the students by the Assistant Principal or Principal.

RECOGNITION LUNCHES

Four times each year, individual students are invited by a staff member to attend a special lunch given to honor the students for outstanding accomplishments.

PERFECT ATTENDANCE

All students with perfect attendance will receive an award at the end of the school year. **Students must attend at least four full periods every day for the entire school year.**

Any class cut will exclude a student from this award. Students on Independent Study do not qualify for perfect attendance. Students with perfect attendance in consecutive years are recognized. All perfect attendance awards will be presented at the year-end events.

END OF THE YEAR AMUSEMENT PARK TRIP

All students who attain a 3.0 academic GPA or higher and have no U's or 2 or more "N's" in citizenship **for the first three quarters** are eligible for a trip to the end of the year amusement park. This will be on a school day and each student is responsible for purchasing his or her own ticket.

This trip is a privilege, thus, if any student has displayed questionable citizenship during the year, they will be denied the opportunity to attend. **If a student does not qualify, they are expected to attend school on the day of the end of the year amusement park trip.** Students participating in the end of the year amusement park trip are expected to board the buses in the morning and return on the buses. 1. Has a positive attitude
2. Accepts responsibility
3. Works up to ability level
3. Exhibits self-direction and self-discipline
5. Respects the rights of others
6. Is a positive role model
7. Is in good academic standing (no D's or F's, and no N's or U's in citizenship).

SCHOOL RULES AND DISCIPLINE

DISCIPLINE PHILOSOPHY AND POLICY

Everyone benefits from good discipline in the school. Students learn more and develop a feeling of pride because they are part of a positive environment. Instruction is more effective because teachers are able to spend time and effort helping students instead of dealing with behavior problems. Social events are more fun because unpleasant disruptions and unruly people do not spoil them. Properly administered discipline enables the students to work, play and live in a pleasant, safe atmosphere where they enjoy greater personal freedom without intimidation or fear.

Every student will be made aware of how they should behave while attending Goddard, and then be held accountable for their actions. Good behavior will be rewarded and poor behavior will be punished. Discipline will be firm, fair and strictly enforced.

GENERAL SCHOOL RULES

Students are to obey and follow directions of all members of the school staff. This includes teachers, administrators, custodians, clerks, aides, secretaries and district personnel. Disobedience toward any teacher or staff member will not be tolerated.

CLEAN CAMPUS

We ask each student to do their part in keeping the corridors and grounds clean. With as many students as we have on campus, it is a full time job for everyone. Those responsible for littering will be expected to clean up other persons' litter as well as their own. **TAKE PRIDE IN YOUR SCHOOL --- HELP KEEP GODDARD CLEAN!**

WALKWAY RULES

1. The staff member on supervision duty is in charge.
2. The following activities are prohibited in the walkways: playing games, littering, eating, running, chewing gum, pushing, loud and unruly conduct, shouting, using sports equipment, and standing on benches.
3. **Proceed to your next class without delay.**
4. Students are to leave the school grounds within 15 minutes after their last class, unless they are part of a supervised school activity, serving detention or working in the library.
5. Stairways, ramps and main entrances in the front of the school must always be kept clear for visitors.

Violation of these rules may result in lunch detention, after school detention, Saturday School, or suspension.

HALL PASSES

No student is to be out of any class without a pass. In cases where it is essential for a student to be out, the proper pass must be obtained from the teacher. If a student leaves any classroom, including the gym, shop or lunch without a pass, the student will be considered to be cutting the class.

LUNCHTIME RULES

1. No running down the hill.
2. No pushing in line.
3. No kicking volleyballs or basketballs.
4. Upper football field is out of bounds.
5. Stay away from P.E. classes/classrooms in session.
6. Sit while socializing on the hill.
7. Equipment can be checked out from the ball room with an ID/ASB card.

8. If you damage or break any equipment, you are responsible for either replacement or payment.

BICYCLES/SCOOTERS/SKATEBOARDS

Bicycles, scooters and skateboards are never to be ridden on school grounds before, during or after school, including intramural activities. They must be walked in front of school (before and after school). If bicycles, scooters or skateboards are ridden on school grounds, they will be confiscated for 24 hours or held until picked up by parents. School grounds include all parking lots, play areas, and sidewalks (from the west bike rack to the end of the east parking lot). This includes all school-sponsored events both before and after school. A locked bike rack and skateboard rack is provided. Do NOT bring your skateboards, scooters, or bikes into classrooms or hallways.

LIBRARY RULES

The library hours are 8:00 a.m. – 3:40 p.m. daily. Students are invited to use the library before school, after school and during lunch to check out books, read, study, do homework, use the computers, and work on research projects.

The lunch schedule is posted outside the library's north doors each week. The library is occasionally closed before or after school with advance notification given when possible.

Appropriate conduct in the library is based on common courtesy and consideration for others. The library is to be a place where people can work and study without distractions.

Library books are checked out for two weeks at a time. The date the book is due is stamped inside the front cover.

Students may generally borrow three books at a time. Students who show they are responsible may borrow more and students who fail to return books on time or who return books in poor condition will be limited to less than three at a time. Students are sent courtesy reminders if their book becomes overdue. After three reminders to return or renew their book, students will be given a 15 minute Friday detention in the library. Repeat offenders will be referred to the Assistant Principal for further disciplinary action.

AR TESTING IN THE LIBRARY

Please note that in order to promote academic integrity, students must check with the librarian before taking an AR quiz outside of regular class time. Additionally, students MUST display their ID card at all times while using these programs. Students without an ID card will not be allowed to test during independent library time. Students who have lost their ID may see the Registrar for a new one.

Lost and damaged books are charged at the full replacement value. Be aware that a student's total responsibility may be over \$300.00. All damaged books will be assessed a charge. Unusable books will be charged at the replacement price. If a lost book is found in good condition, a refund will be issued.

At the end of the year, all library books and textbooks should be returned to the front desk in the library. DO NOT give books to teachers to return for you. When students check in their books, the system will clear the student of that book. Students must return the exact book number that was issued to them. Yearbooks will be held until outstanding books are returned or paid for.

The District takes a strong stance against gang-affiliated clothing and/or other styles of dress or grooming affiliated with gangs/hate groups due to safety concerns for students while at school, or going to and coming from school. Because of changing trends in such attire, specific clothing, jewelry, accessories and/or grooming style restrictions may change during the school year. Notice will be given to students and parents or guardians as soon as it is reasonably possible after these trends have been identified with the assistance of local law enforcement authorities.

Teachers may use their discretion in deciding if a student's dress is appropriate. Any time a member of the staff believes that a student is disrupting the educational process by their appearance, or when the student's safety is concerned, the teacher may send the student to the office. Students whose dress is inappropriate will be removed from the class until the dress is corrected and/or will be given a Goddard shirt to wear (clothing will be returned after the clean Goddard shirt or shorts are returned).

PERSONAL ITEMS

Do not bring personal items such as sports equipment (tennis balls, footballs, etc.), toys, etc., to school. These have no place in the classroom, usually cause disruptions, and may be lost, stolen or damaged. Such items will be confiscated and returned to their owners at a later date. Balls and play equipment brought to school must be kept in a bag during the school day, or they will be confiscated. Balls are not to be used in the hallways, lunch area, or in front of school.

DELIVERIES

In an effort to maximize instructional time and minimize disruptions to classes, **delivery is discouraged unless it is an emergency.** We will not disrupt a class to deliver any items. We will send notification to students informing them they can pick up deliveries between passing periods, at lunch, or after school. It's important that your child comes to school every day prepared for learning.

In the event that your child does forget their lunch money, our cafeteria PIN system will allow them to overdraw their account for up to two complete lunches. Online payments can also be made through the GUSD website.

PUBLIC DISPLAYS OF AFFECTION (PDA)

GAMBLING

Gambling/card playing on school grounds, coin flipping, etc., is not allowed and may be cause for suspension.

CHEATING POLICY

It is important for every student to develop a sense of honor and integrity, and to get the most possible out of school. Students learn nothing by cheating and grades earned in this way are meaningless. Any student caught cheating will: receive a zero on the work involved, a note written by the student will be sent home to be signed by parents and returned to the teacher, and three hours detention will be assigned. Besides the obvious cheating, included under cheating is anyone who allows another to copy their paper, forges a note, and anyone who cuts on the cross country course in P.E. is also guilty of cheating.

CARE OF PROPERTY

Any student, who willfully cuts, defaces or otherwise damages personal property or other property belonging to the school district, such as books, is liable for suspension or expulsion and the parent or guardian shall be liable for all damages so caused by such pupil.

(Bullying can be physical, verbal, psychological or any combination of these three. Bullying behaviors can include name-calling, obscene gesturing, malicious teasing, rumors, slander, social exclusion, damaging a person's belongings, threats and physical violence.)*

It is our goal that all students feel safe and secure and have healthy peer relations at school. Remember that words have a life of their own – think before you speak. Also remember that once sent on digital media or devices, words/pictures can never be taken back.

DETENTION PROCEDURES

Detention is to be completed as assigned. Failure to do so may result in more detention being assigned, lunch detention being added, or the student being excluded from activities and assemblies or eventual suspension from school. If a student has office and class detention, student should serve detention with a teacher first, then bring a note from the teacher to office detention. The student will then make up missed office detention at the end of his/her detention time.

The yearbook will be withheld until the detention is completed. A student will sign a form acknowledging the reason(s) for office detention. The form includes the following:

1. The student will arrive no later than 2:40 p.m., and understand detention will be over at 3:40 p.m. unless he/she is late due to prior class detention.

In addition, any student in violation of Ed. Code 48900, which includes any suspendable offense, may be restricted from all extra-curricular activities and functions beyond the 8:25 a.m. to 2:37 p.m. school day.
